Title: **Coming to Our Senses: Refreshing Our Characters and Plots**

Workshop Description: Jumpstart your writing and storytelling techniques. Craft three-dimensional characters and empower the path of your plot. A popular artist at regional and national Storytelling Festivals, presenter Angela Lloyd draws from traditional world folktales, the oral tradition, original works based on personal experience and the best in children's literature. Storyteller Donald Davis has said, "She is a combination of Maria Von Trapp, Mary Poppins and Tinkerbell," while another fan comments, "She is diagonally parked in a parallel world." Angela believes that "making our way to the heart of a story is a sensory experience."

Instructor's Name: **Angela Lloyd**

Bio & Website: Angela Lloyd brings stories to life as a teacher, coach, musician, actor, singer and storyteller. One of the unique performers on the national storytelling circuit today, Angela was featured twice at the National Storytelling Festival in Jonesborough, Tennessee and regularly appears at regional festivals and theaters across the country. A virtuosa on Washboard, Angela's performances are a whimsical braid of poetry, story and song played on Autoharp, Tenor Guitar, Spoon and Bell.
